

Schedule IV

THROUGH STREETS

In accordance with Section 335.010, and when signs are erected giving notice thereof, drivers of vehicles shall stop at every intersection before entering any of the following streets or parts of streets.

Table IV-A. Through Streets. [CC 1979 §92.050; Ord. No. 144 §1, 2-11-1985]

Street
Main Street
Market Street (Missouri Highway J)
Washington Street (U.S. Highway No. 59)
Closing of Main Street. Upon placement of signs by the Police Chief of the City of Diamond or his/her designee, a loading zone shall be established from Fourth Street south for two hundred eight-three (283) feet for the purpose of establishing a school loading zone and it shall be improper for any vehicle, other than school vehicles, to travel over this portion of Main Street when signs or signals have been placed notifying the drivers of the closed school zone.
